**CONGRATULATIONS!! YOU ARE PREGNANT**

There are probably many thoughts and emotions that you are experiencing at this time. As your patient, we want to answer all questions and concerns about your pregnancy. We are fortunate to have a comprehensive team to assist you. In this packet, various forms and information sheets are very important. The information sheets are written on color sheets of paper and can be referred to throughout your pregnancy. Please fill out the required information on the forms provided and return to our office as soon as possible. Any questions concerning the forms may be directed to the physician or nurse practitioner at your next visit. Please complete the following forms:

**1. PATIENT REGISTRATION** – This form is required to be complete with all of the information requested. This form will be sent to the hospital by our office for Hospital registration.

**2. AUTHORIZATIONS FOR MEDICAL SURGICAL TREATMENT-**

There are two forms that need to be signed and dated. The first form is your consent for male circumcision. If you have a baby boy and DO NOT want him to be circumcised, please write "NO" at the top right hand side of the form. If you are unsure, speak to a member of the healthcare team. We ask you to look at this form more to make you aware that we do the circumcision and that you have a choice. You can always change your mind. Obviously if you have a girl, the form is unnecessary.

The second authorization form is the consent for a Vaginal Birth. This form must be completed as a hospital requirement.

**3. AUTHORIZATION FOR TRANSFUSION OF BLOOD OR BLOOD PRODUCTS**

This form is consent for blood transfusions. Please take time to read all three parts. If you have questions concerning blood transfusion, please direct your questions to our healthcare team.

**PLEASE DO NOT HESITATE TO ASK ANY QUESTIONS – WE ARE HERE FOR YOU!**
